The Duke of Edinburgh Cup Malaysia is a golf tournament whose main purpose is to raise funds for charity to help young people lead better lives. In Malaysia, the Anugerah Remaja Perdana is nominated for the Duke of Edinburgh international award which is a fully accredited National Award Authority.

The Anugerah Remaja Perdana has 12,000 young Malaysian participants.

There will be qualifying rounds and the sponsorship raised is to donate funds to a charity in Malaysia and to another international charity nominated by the Board of Trustees of the Duke of Edinburgh Cup.

By permission of Her Majesty The Queen, there will also be a match against the Royal Household Golf Club in the grounds of Windsor Castle. Additionally, an international Pairs Trophy is held during the World Finals for teams selected from each country.

2 winners from the tournament will be flown by the courtesy of British Airways to London, and will take part in the World Final 2011 which consists of 3 golf tournaments and one on the private course of the Windsor Castle.
